Gettysburg resident joins Gettysburg Foundation staff

Daniel M. Bringman hired as CFO

Gettysburg, Pa. (June 30, 2009) — The Gettysburg Foundation today announced the addition of Daniel M. Bringman as chief financial officer. Bringman, a Gettysburg resident, will oversee the Foundation's accounting, human resources and information technology departments and will serve on the nonprofit organization's management team.

"Dan brings years of financial and nonprofit leadership, and we are pleased to have him on board as we continue to grow and work with the National Park Service to preserve the hallowed ground of Gettysburg," said Robert C. Wilburn, Gettysburg Foundation president.

Mr. Bringman has previously served as vice president for finance and administration, and treasurer, for the Lutheran Theological Seminary at Gettysburg and most recently was outsourcing manager for an accounting and consulting firm in Washington, D.C. He earned his master's degree in accounting from the University of Illinois at Urbana-Champaign and his bachelor's degree from Pennsylvania State University. He is also a licensed Certified Public Accountant.

“I am thrilled to join the staff at the Gettysburg Foundation and look forward to helping the organization continue its important work preserving, enhancing, honoring and protecting the natural and cultural resources associated with one of America’s most important places,” said Bringman.

The Gettysburg Foundation is a private, nonprofit educational organization working in partnership with the National Park Service to enhance preservation and understanding of the heritage and lasting significance of Gettysburg. The Foundation raised funds for and now operates the Museum and Visitor Center at Gettysburg National Military Park, which opened last April. In addition to operating the Museum and Visitor Center, the Foundation has a broad preservation mission that includes land, monument and artifact preservation and battlefield rehabilitation—all in support of the National Park Service’s goals at Gettysburg.
